And...
The cold season isn't over yet.
The first 10 days of January
...with whom you've built warm relations with...
all alone
Being with the people you love...
On a cold day like this, in a warm room...
Making hot food...

Cooking = Wife?
Both my parents transfered overseas for work.
fwoosh
Be good growing up~
My grandma, who raised me, passed away...
You'll become a good wife in the future if you do.
Listen well Ryou, you should know how to cook.
At this rate, I'll become a horrible wife!
A bad wife!
I'm sorry Grandma!
My cooking
I am a 2nd year middle schooler taking my high school entrance exams next year.
My name is Machiko Ryou.

They smell fishy
I really don't like the smell of carrots.

I'll teach you how to make nabe.
Ah. Then, if you eat the carrots...
Eh?

I'm sure that your parents will be very glad when you do!
When you go home, you'll be able to make it.
